

Devon Park Christian School was established in 1978, as a ministry of Devon Park Baptist Church. Our mission is to provide a quality education to our students that will allow them to grow in knowledge and skills in order that they may serve others through their character and leadership. The Christian School is an extension of the Christian home in training young people in the Christian environment. The school offers classes for students from Kindergarten through grade 12 using the A Beka Christian curriculum that is integrated with the New Brunswick Department of Education programs. **Please call- 458-6141 for more info.**
